GROW YOUR OWN ORGANIC FRUIT AND VEG

If you would like to:

- Grow your own organic food
- Learn new skills
- Make new friends
- Get some exercise

Come and join us at the
H.O.P.E. Community Allotment on Windmill Lane
where we will give you a warm welcome.

We will provide you with all the tools, equipment, seeds,
help and advice you need to start growing your own fruit
and vegetables.

*We run three sessions a
week on Monday, Thursday
and Saturday mornings.*

*You don't need any previous
gardening experience to get
involved.*

**For more information on how to get involved
